

### **Ryan Stowe**

Vice President, Distribution Operations  
DTE Energy

Ryan Stowe is the vice president of Distribution Operations for DTE Energy. Stowe oversees operations of the company's electrical system. He is leading continuous improvements to the electric infrastructure and customer satisfaction.

Stowe has worked in a variety of leadership positions at DTE, most recently serving as the executive director of Distribution Operations. He has also held leadership roles in substations, fleet and facilities, and service center operations.

Prior to joining DTE, Stowe worked in a variety of assignments in the chemical process industries, including engineering, operations, and plant management roles.

Stowe holds a Bachelor of Science degree in chemical engineering from Michigan Technological University, and an MBA from the University of Michigan.

Stowe currently volunteers his time with the Plymouth United Way and at Father Gabriel Richard High School in Ann Arbor, Mich.

DTE Energy (NYSE: DTE) is a Detroit-based diversified energy company involved in the development and management of energy-related businesses and services nationwide.
