

**Mark Rolling**

Vice President, Controller and Chief Accounting Officer
DTE Energy

Mark C. Rolling is vice president, controller and chief accounting officer of DTE Energy.

Rolling joined DTE Energy in 2006. He was previously vice president, treasurer and investor relations, controller of DTE Gas, director of Investor Relations, director of Corporate Financial Planning and Analysis and assistant General Auditor.

Prior to joining DTE Energy, Rolling worked at Chrysler Corporation where he held several roles of increasing responsibility in finance and controlling. Prior to Chrysler, Rolling worked in public accounting with Ernst & Young, most recently as an Audit Manager.

Rolling currently serves on the DTE Energy Investment Committee. He is also a member of the Wayne State University Foundation Investment Committee. Rolling earned a Bachelor of Business Administration in Accounting and a Master of Business Administration from Wayne State University. He is a certified public accountant.

DTE Energy (NYSE: DTE) is a Detroit-based diversified energy company involved in the development and management of energy-related businesses and services nationwide. Its operating units include an electric company serving 2.2 million customers in Southeast Michigan and a natural gas company serving 1.3 million customers in Michigan. The DTE portfolio includes energy businesses focused on power and industrial projects; renewable natural gas; natural gas pipelines, gathering and storage; and energy marketing and trading. As an environmental leader, DTE utility operations will reduce carbon dioxide and methane emissions by more than 80 percent by 2040 to produce cleaner energy while keeping it safe, reliable and affordable. DTE Electric aspires to achieve [net zero](#) carbon emissions by 2050. DTE is committed to [serving with its energy](#) through volunteerism, education and employment initiatives, [philanthropy](#) and economic progress.
