

Robert Feldmann

Vice President, Gas Sales & Supply
DTE Gas

Robert Feldmann is vice president of Gas Sales & Supply for DTE Gas, DTE Energy's natural gas utility. Feldmann is responsible for the procurement and delivery of natural gas to DTE Energy's supply customers, and the associated nomination, measurement and control functions. He is also leading the sales and marketing efforts in delivering gas and related services to all customers, from residential through large industrial, including the sale of wholesale storage and transportation services to large non franchise customers. This also includes responsibility for the CNG vehicle program and the company's Appliance/HVAC warranty programs.

Feldmann has been with DTE Energy since 2008. Prior to his current role, Feldmann was executive director of Electric Sales & Marketing where he was responsible for executing several high-level marketing programs and key customer service initiatives for the Electrification and Electric Vehicle programs. He has also grown the sales capabilities of the organization and realized numerous successes, including growing the Community Lighting organization, increasing Joint Use margin, while significantly reducing related MPSC complaints. Prior to DTE Energy, Feldmann held several roles at Union Gas, including general manager of Gas Operations, Sales, Marketing and Customer Care.

Feldmann earned a Master of Business Administration degree and Bachelor of Arts degree in Finance and Accounting from the University of Windsor.

Feldmann is a board member of The Midwest Independent Retailers Foundation and Powerley.

DTE Energy (NYSE: [DTE](#)) is a Detroit-based diversified energy company involved in the development and management of energy-related businesses and services nationwide.
