

Chuck Conlen

Vice President, Renewable Energy
DTE Energy

Chuck Conlen is the Vice President of Renewable Energy for DTE Energy. Conlen is responsible for structuring and leading DTE's carbon reduction commitments and growth projections and all aspects of DTE Electric's renewable business.

Conlen joined DTE Energy in 2005, and has since held various senior leadership roles across DTE, including Vice President of Power & Industrial's strategy and commercial organization, Executive Director of Energy Optimization and his current position.

Conlen earned an MBA from The University of Michigan. He also holds a Bachelor of Science in Power Generation Systems from Kings Point, the United States Merchant Marine Academy.

DTE Energy (NYSE: DTE) is a Detroit-based diversified energy company involved in the development and management of energy-related businesses and services nationwide.
