

Steven Mabry

President
DTE Energy Trading

Steven Mabry is the president of DTE Energy Trading, a non-utility subsidiary of DTE Energy (NYSE: DTE). DTE Energy is a Detroit-based diversified energy company involved in the development and management of energy-related businesses and services nationwide. Its operating units include an electric utility serving 2.1 million customers in Southeastern Michigan and a natural gas utility serving 1.2 million customers in Michigan. The DTE Energy portfolio includes non-utility energy businesses focused on power and industrial projects, natural gas pipelines, gathering and storage, and energy marketing and trading. As one of Michigan's leading corporate citizens, DTE Energy is a force for growth and prosperity in the 450 Michigan communities it serves in a variety of ways, including philanthropy, volunteerism and economic progress.

Mabry is responsible for overseeing the growth of the subsidiary which markets and trades coal, electricity, natural gas and environmental products.

Prior to joining DTE Energy, Mabry held various leadership positions, including chief commercial officer at Reliant Energy Europe in the Netherlands. He previously worked for Reliant Energy in Houston where his responsibilities included structure and pricing, as well as natural gas and power trading. Prior to joining Reliant Energy, Mabry worked in corporate finance and marketing for Phillips Petroleum Company.

Mabry earned a bachelor of science degree in physics from Henderson State University in Arkansas and a master of business administration degree from The University of Texas at Austin.
