

Skiles Boyd

Vice President, Environmental Management & Resources
DTE Energy

Skiles Boyd is vice president of environmental management and resources for DTE Energy. Boyd is responsible for managing the company's environmental issues which include setting environmental policy, representing the company on environmental issues with the public and in environmental regulatory and legislative development, coordinating environmental studies and conducting environmental audits. He manages a department of approximately 70 people. Boyd has worked in DTE's environmental department for over 40 years.

Boyd earned a Bachelor of Science in Environmental Resource Management from Pennsylvania State University and a Master of Business Administration from Wayne State University.

Boyd is active on the Environmental Council of the Electric Power Research Institute, the Conference Board's Chief Environmental Health and Safety Officers' Council (Chairman), the Air and Waste Management Association and the Business Environmental Leadership Council of the Center for Climate and Energy Solutions. He is on the Environmental Committee of the Edison Electric Institute. In 2015, Boyd received the EEI Tony Anthony Award for member unity.

DTE Energy (NYSE: DTE) is a Detroit-based diversified energy company involved in the development and management of energy-related businesses and services nationwide. Its operating units include an electric company serving 2.2 million customers in Southeast Michigan and a natural gas company serving 1.3 million customers in Michigan. The DTE portfolio includes energy businesses focused on power and industrial projects; renewable natural gas; natural gas pipelines, gathering and storage; and energy marketing and trading. As an environmental leader, DTE utility operations will reduce carbon dioxide and methane emissions by more than 80 percent by 2040 to produce cleaner energy while keeping it safe, reliable and affordable. DTE Electric aspires to achieve [net zero](#) carbon emissions by 2050. DTE is committed to [serving with its energy](#) through volunteerism, education and employment initiatives, [philanthropy](#) and economic progress.
