

Irene Dimitry

Vice President, Renewable Energy
DTE Energy

Irene M. Dimitry is vice president of renewable energy for DTE Energy. Dimitry is responsible for structuring and leading DTE's carbon reduction commitments and growth projections and all aspects of DTE Electric's renewable business. Prior to this role, Dimitry was DTE's vice president of Business Planning & Development where she was responsible for business planning and generation strategy for DTE Electric, which serves SE Michigan and is one of the country's largest electric utilities.

Dimitry joined DTE Energy in 1994, progressing in leadership roles in Marketing, Business Planning, Customer Service, Electric Operations and Corporate Strategy.

Dimitry earned an undergraduate degree in business from Wayne State University in Detroit and a Master of Business Administration from the University of Michigan, Ann Arbor.

Dimitry is a board member for the SE Michigan Region of the American Red Cross and for Michigan Saves, a non-profit organization focused on energy efficiency. She is on the advisory board the University of Michigan-Dearborn Business School. In 2009, Crain's Detroit business magazine recognized Dimitry as a "Woman to Watch" in the Detroit metropolitan area.

DTE Energy (NYSE: DTE) is a Detroit-based diversified energy company involved in the development and management of energy-related businesses and services nationwide. Its operating units include an electric company serving 2.2 million customers in Southeast Michigan and a natural gas company serving 1.3 million customers in Michigan. The DTE portfolio includes energy businesses focused on power and industrial projects; renewable natural gas; natural gas pipelines, gathering and storage; and energy marketing and trading. As an environmental leader, DTE utility operations will reduce carbon dioxide and methane emissions by more than 80 percent by 2040 to produce cleaner energy while keeping it safe, reliable and affordable. DTE Electric aspires to achieve [net zero](#) carbon emissions by 2050. DTE is committed to [serving with its energy](#) through volunteerism, education and employment initiatives, [philanthropy](#) and economic progress.
